Note: Resolution No. 414 establishes that quotas for the current year become past due if not paid by June 30 of the year, setting the period considered reasonable to make payment of annual quotas that fall due as of January 1 of the year. Additionally, Resolution No. 414 establishes that during the current year, a Member State shall retain the status it had as of December 31 of the prior year, provided it makes a payment equal to the current year's quota by June 30 of the current year. Failure to make that payment by June 30 will result in an adjustment of status.
