San Jose, Costa Rica October 2012

## EIGHTEENTH ANNUAL REPORT OF THE AUDIT REVIEW COMMITTEE

#### **ESTABLISHMENT OF THE COMMITTEE**

The Audit Review Committee (ARC) was established in September 1993 by Resolution 231 of the Inter-American Board of Agriculture (IABA).

#### **MANDATE**

Pursuant to the Statute of the Audit Review Committee, the only reporting requirement of the Committee is to report to both the Executive Committee and the Inter-American Board of Agriculture anything that, in the judgment of the Audit Review Committee, may constitute a violation of the rules and procedures governing the operations of the General Directorate.

#### MEMBERS OF THE COMMITTEE

The present members of the Committee are:

- 1. Tracy LaPoint, Deputy Assistant Inspector General for Audit, Office of Inspector General, United States Department of Agriculture, U.S.A.
- 2. Pamela D.M. Monroe Ellis, Auditor General, Auditor General's Department, Jamaica
- 3. Lina Ma. Tejera Jurado, National Director, Administration and Finance, Ministry of Agricultural Development, Panama

#### **ACTIVITIES OF THE AUDIT REVIEW COMMITTEE**

The Committee met at IICA Headquarters, in Coronado, Costa Rica, on June 18 - 19, 2012, with the purpose of conducting the annual review of the Financial Statements for the fiscal year that ended in December 2011.

Discussions were held with the following management personnel of IICA:

Carlos O'Farrill - Secretary of Corporate Services

Karen Kleinheinz - Director of Financial Management

Yensy Casanova - Coordinator of Consolidation Unit, Finance

Luis Condines - Internal Auditor

Emmanuel Picado - Head of Information, Technology and Communications Unit

The Committee reviewed the draft report of the External Auditors, Deloitte & Touche, and the draft management letter, and held discussions with the Audit Partner, Mr. Rolando Güell, and the Manager, Audit Services, Grettel Loria M.

Based on these discussions, the Committee found that the work performed by the external auditors complies with international auditing standards and IICA's rules.

#### REPORT TO THE EXECUTIVE COMMITTEE OF IICA

#### **Action Taken on Last Year's Recommendations**

#### **Actuarial Study**

IICA engaged KPMG to perform actuarial studies of local (Costa Rican) and International personnel's termination/non-retirement post employment benefits.

#### **Purchase Obligations**

IICA has adequately addressed the concern regarding the recording of purchase obligations. Therefore, the qualification for this item was removed in 2011. IICA should continue to monitor throughout its offices the appropriate recording of purchase obligations to align with U.S. GAAP.

#### **Potential Contingency**

IICA management continued to monitor the Columbia AIS project in 2011.

#### **Current Recommendations**

We are not aware of any violation of the rules that govern the operations of the General Directorate; nevertheless, we bring the following matters to the attention of the Executive Committee so that appropriate action may be taken, where necessary.

We recommend:

#### **Actuarial Study**

IICA evaluate the usefulness of the actuarial studies given that the studies are costly and cover only a portion of the population. Unless the studies are performed for all personnel, IICA will not be in compliance with U.S. GAAP and the qualification will remain.

IICA continue to monitor quota payments and maintain its collection strategy.

### **Potential Contingency**

IICA continue to monitor events relating to AIS in Columbia, which could result in litigation.
